1936 Centennial Markers

The Texas Legislature created The Commission of Control for Texas Centennial Celebrations in 1935, to celebrate the 100th anniversary of Texas' independence from Mexico the following year. The state placed about 1100 exposition buildings, memorial museums, statues, and gray and pink granite markers and monuments around Texas. The Texas Historical Commission was created in 1953 and given authority over the 1936 markers. There are a variety of 1936 Centennial Markers throughout the state of Texas (pictured below).

Replacement of 1936 Centennial Marker parts are available upon request. Please email Bob Brinkman at bob.brinkman@thc.state.tx.us or call 512-463-5853 to request an order form.
